

Specification Sheet

Product Name	HabiStat Amazon Clay Balls 10L
Product Codes	HSCB10E
Description	HabiStat Clay Balls help replicate natural drainage and filtration layers found beneath rainforest and wetland environments. Made from highly porous clay, they manage moisture below the surface, supporting plant growth and ecosystem balance. Long-lasting, easy to clean, and ready to use, they provide a stable foundation for bio-active setups.
Intended Use	Animal use only
Available weight	9.33KG (Weight may vary due to fluctuating moisture levels)
Key Ingredients	Sintered Pulverised Fuel Ash
Technical Specifications	NA
Instructions for proper use	We recommend you spot clean daily, and change or refresh every 6-12 months..
Precautions for use	Wear protective clothing like gloves when handling substrate and supervise children closely. Bags may be heavy.
Storage & Handling instructions	Please store this product out of reach from children.
Manufacturers Information	Monkfield Nutrition Ltd, Arthur Rickwood Farm, Chatteris Road, Mepal, Ely, Cambs, CB6 2AZ, UK
